

# Mp3 Lab Addicts - The Essential Elements Of Soul

[DOWNLOAD HERE](#)

This hot, limited edition album has been making a big buzz in the European soul scene. It is now being made available in the US. Check out what all the talk is about. 8 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Rhythm Blues Details: The Lab Addicts 3rd studio release, The Essential Elements of Soul was crafted specifically for the UK soul scene in conjunction with Di-Lee Promotions Ltd. It features some remixes of previously released material as well as new songs, notably, Move All Night, Dont U Know, and Movement. The UKs leading Soul Magazine Blues Soul says, Move All Night, has got that magic ingredient and it really is so ridiculously catchy. About the album it claims, The grooves, the beats, the melodies, the harmonies, the tunes, all the essential elements that make our music [soul] so damn addictive are still out there all the wonderful intangible elements listed are here in abundance. DJs in the UK agree. Cuts from the Essential Elements of Soul have taken the UK by a storm and are rockin daily on Starpoint and Solar Radio. Tracks are also being played by Richard Searling on Smooth FM and are soon to be featured on the BBCs Radio One. This album has top ratings in all the UK soul charts and album reviews worldwide. Within three months of release The Essential Elements of Soul has sold over 500 copies in the UK, Denmark, Japan, France, and Italy. The Lab Addicts are now offering the opportunity to buy this Limited Edition album in the US on CD Baby. Pick up your copy today to feel the soul the Lab is bringing.
