A collection of peaceful, meditative and spontaneous solo piano works serving as a spiritual resource for quiet time spent with God. 8 MP3 Songs EASY LISTENING: Background Music, SPIRITUAL:

Inspirational Details: THE PROJECT "Time to Listen" is a collection of spontaneous songs played in the Spirit. This recording was done in one sitting without any rehearsing or planning of what was to be played.

The simple intent of this project was to listen and to play what was being heard in the Spirit. Our desire is that you will discover a peaceful and meditative resource to help as you take Time to Listen to what your Heavenly Father is saying to you. THE ARTIST Scott Hull has been a Pastor for over 20 years and His passion is helping people discover and grow in their relationship with God. In describing his role as a Pastor and a Worship Leader, Scott says I love introducing people to the concept of walking with God through relationship with Jesus Christ: learning to see His Presence, to hear His voice and to experience His Kingdom. I love helping people encounter the Word of God. I love seeing others learn to love God.

Scott is the Pastor of Hill Point Church on the North Shore of Milwaukee, Wisconsin. THE CREDITS -

Scott wants to credit and thank: Susan, my best friend and wife for life, who faithfully prayed me through this project, and patiently is teaching me how to color outside the lines My three children, whose unexpected enthusiasm for this project has brought my greatest joy in completing the work Andy Toriello and Sonalysts Studios for making available to me the finest technology and equipment in the recording industry My Lord and Savior Jesus Christ, without Whose Spirit this project would be only so much noise. I love Him because He first loved me and gave Himself for me! May I always take Time to Listen to Him.
