

Mp3 Scotty Mic - Gotta Stand Up

[DOWNLOAD HERE](#)

Reggae, R&B and Gospel(This is an album that has a melodic blend of funky Reggae and smooth R&B/Hip Hop Soul, but also heart felt Gospel. 12 MP3 Songs WORLD: Reggae, URBAN/R&B: R&B Pop Crossover Details: Singer, songwriter extraordinaire Scotty Mic is here to show what a gifted artist he is. He is a truly dedicated natural performer, who started from a very early age.. SCOTTY performed with local bands throughout his high school years. As a member of the band East Wind, he covered the Midwest. Scotty Mic is bringing to the music scene a new sound, a new view. A melodic blend of reggae love with funky hip hop, gospel and R&B.. mellow vocals that move you to the new joints that are making new paths in music.. You can hear his gift in his performance with Ras Michael and the Sons of Negus and Tuff. The past 12 years he has performed as lead vocalist and musician with the ARK Band throughout the United States, Canada and Jamaica. Love Is What We Need CD, was released with the feature song of the same name by the Ark Band. Mike, the lead vocalist and coauthor of the tune received wide acclaim for his smooth melodic voice. Noted in the Review The Beat Vol. 19 Nov. 4, 2000 by Chuck Foster. The first album, Na Give Up, produced in 1995, was an instant hit with the reggae crowd featuring "Oh Jah" sung by Mike; written by Mike, David Scott and Gerald Chess. It's time for a new track and a smooth journey. Let's ride with Scotty Mic.
