Sigma-music has strong Ambient flavour with a taste of experimental electronic music. Music is balanced between improvisational and composed parts creating long Ambient soundscapes. 7 MP3 Songs in this album (76:47) ! Related styles: ELECTRONIC: Ambient, ELECTRONIC: Experimental People who are interested in Tangerine Dream Biosphere Tim Blake should consider this download. Details: Live Trilogy is a document of Live performances between 1998 and 2004. These performances are 100 improvisational. "Opening", "Space Commander Blues", "Dream" and "Part III" belong also to our "Under The Stars" concerts. We played in Tlnlahti Art Garden inside Kazuo Makiokas spiral stone-garden "Karesansui". There was a good spirit in this concert. Listeners was served with coffee and Live music. We had dozens of candles all over the place (thanks to Ville Ojajrvi). "Human Trinity" is composed Live at marathon concert in Kanneltalo Helsinki. We played almost four hours non-stop with live visuals by Ville Ojajrvi and Mari Keski-Korsu. "Heart Space" is a composition for Taiteiden Y in Helsinki. With "Under The Stars" concept we played in Tlnlahti garden. We had four speakers in four trees so listeners could enjoy four channel music in the forests. "Prayer" is composed Live at "Koetila" (small space we hired for weekend-long ambient-happening) in Helsinki. Visuals again by Ojajrvi/Keski-Korsu.
