Acoustic jazz infused folk music with an urban soul sound. 11 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: From the edge of the Rockies in Western Canada comes a new voice in Canadian music: 'Sillan Young'. The group has been described as a unique blend of acoustic folk and contemporary urban music. The dynamic writing of guitarist Aaron Young tempered with the melancholy lyrics of vocalist Johanna Sillan'paa, has struck a unique musical balance. Coupled with rich sound of double bassist Kodi Hutchinson and the intricate grooves of drummer Rob Vulic, 'Sillan Young' manages to reach out to their audience with a very heartfelt and sincere sound. Known best for the intimate nature of their live shows, 'Sillan Young' pride themselves on being able to bring the music to their audiences at level not often seen in a concert setting. The sheer virtuosity of Young's guitar playing and range of expression exhibited by Sillan'paa, must be seen to be believed. Fans of the group never cease to be amazed at their high level of performance. The band takes audiences on an ever-evolving journey with every live performance. Originally conceived as a duo in mid 2002, 'Sillan Young' quickly recognized the need to expand the group to fully realize the nature of their music. Long-term allies, Rob Vulic and Kodi Hutchinson joined the group later that year. The band's debut release 'Better Thing' is an honest musical statement reflecting the true nature of the ensemble. Every member of the group brings a coherent vision of the music to their audience.
