Mystical,sensual, passionate, environmentally conscious pop/folk music with many moods and flavors expressed. Lyrics magically weave the spicy storms with calmness. Combines depth with expansiveness

13 MP3 Songs POP: Folky Pop, FOLK: Power-folk Details: With a vast array of flavors, Siobhan's songs are sometimes sweet, sometimes spicey with an edge. A self taught singer-songwriter of over twelve years, Siobhan's first CD release, Love Lives in the Earth weaves together power-folk and jazzy pop. A dancer since childhood, Siobhan's kinetic sense of rhythm manifests in her dynamic, percussive guitar patterns and keyboard melodies. Soft, pacifying vocals weave soothing melodies that open the heart and the senses. Contemplative and insightful, Siobhan's lyrics have a universal appeal. They touch upon the sacredness of nature, animals, awareness, yoga,spirituality, astrology, and transformation. International travel and working as a healing arts practitioner and yoga instructor of 7 years, has been incredible inspiration for song writing.
