His songs are thought provoking, uplifting, and always full of the promise of the human spirit. Steve loves people and life, and his songs reflect that love. Here is what others have said about STEVAN B: *** "Exceptional talent, very unique, great vocal ability" - Avalon Music, Nashville, TN. *** "High level of talent" - Cotton Town Music, Commerce, GA. *** "Very good songs" - Alco Music, Panama City Beach, FL. *** "Very competitive in today's musical market" - Buried Treasure Music, Nashville, TN. Canyon Grand: From your local coffee house to the Grand Canyon, this CD represents a true cross section of America and the people that populate it. ** "Hello America" - Was written after the tragic events of 9/11, and conveys the message that we'll get through. ** "Truck Stop Latte" - The story of the waitress we all know. ** "The Game"- The dark and disturbing message of games people play. ** "One Perfect Thing"- A love song with a twist. ** "Canyon Grand"- Inspired by a trip to the Grand Canyon. ** "Down the Line"- Dedicated to my Grandfather who worked on the railroad. ** "Bird Dropping Blues" - Need I say more? ** "Christopher Robbin"- Lullaby from the heart. ** "Daddy's DeCaffe" - The sexiest cup of coffee you'll ever have. ** "Rise Up Son"- Song about crime, punishment and redemption. Current projects include: * Writing songs for performance and recording by various bands and musicians. * Performing at various coffee houses, pubs, conventions, folk assemblies and church activities. * Experimenting with other musicians on CD projects. * Recording my next CD. I hope you enjoy listening to this CD as much as I enjoyed making it.
