

Mp3 Steve Cohen Blues?band W/greg Koch - Mixed Feelings

[DOWNLOAD HERE](#)

A well produced eclectic mix of blues styled songs featuring world class harmonica and guitar by Steve Cohen and Greg Koch, plus a host of well known Milwaukee based blues artists. 13 MP3 Songs BLUES: Jazzy Blues, BLUES: Rockin' Blues Details: Milwaukee area blues heavyweight Steve Cohen triples on his unique and progressive style of blues/jazz harmonica, (sponsored by Hohner for 25 years) guitar and vocals. Guitarist Greg Koch is known internationally for his incredible guitar virtuosity. Greg is a globe trotting clinician for Fender, and his instruction books and DVDs for Hal Leonard are a hit, as are his many recordings. Kurt Koenig, bass and Bob Mueller on drums round out the core band. Additional guests include world class cult blues harmonica guru Jim Liban, keyboardists Susan Julian and Joel Freisinger, as well as John Ricco-congas, and the Masonic Wonders, a Gospel vocal group. This is an eclectic, carefully selected batch of blues/r&b based tunes. Half are twisted originals that remain true to the spirit of the blues while extending the genre into uncharted territory. Covers include 60's crossover blues hits like Daydream, Givin It Up For Your Love, and Crazy Mama, as well Little Village's "The Action". Let's not forget the spirited rendition of Erroll Garner's "Misty". Splendid musicianship abounds both in solos and ensemble work, as well as expressive vocals throughout. Possibly the best blues?album of the year.
