Songs about love and family and things that matter. 14 MP3 Songs FOLK: Gentle, COUNTRY: Country Folk Details: Steve Simpson writes songs for the heart, about love and family and things that matter. Part folk, part country, but all heartfelt. Steves focus is on writing lyrics that speak through imagery, telling stories about real people and real love. Steve has been accumulating life experiences and putting them down in songs for years, and Better Late is his first CD to share those songs. It was produced by Chris Rosser, and recorded at his Hollow Reed Studio in Asheville, NC
