Rolling Home is filled with 11 new world class recordings from the band. Concert favorite "Big Boatload of Bananas" and "Elmer's Electric Tricycle" kick up the fun-o-meter a few notches while americana flavored "Mister Rabbit " lends the album a beautiful lullaby track. "I think the band has come to a really good place musically on this album. All of the instrumentation is acoustic and yet it has a folk-rock overtone sonically" says Steven Courtney. " Mike is playing some great stuff on the dobro, Alden stretched out and played piano on a few tracks, Doug taps into the mandolin for the first time and Frank's bass work is stellar." Other album track titles are "Rolling Home", "Strange Old Cat", "Three Monkey Pirates", "Happy Anniversary", "Little Rockin' Band", "Sail Away Lady, Sail Away", "Hey Mockingbird", and the album closer "Scarecrow." The band is set to launch " THE ROLLING HOME" Traveling MUSIC Show, comprised of a rocking caravan of musicians, this spring with tour support concert dates booked through 2010.
