Electronica Nostalgica. From rock to experimetal all rolled up into one ultimate record. Let us help you take a look inside of yourself. 12 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Ambient
Details: The Persona weaves of unprecedented music from a ball of soundweaves. The Persona weaves of freedom from a ball of brainwaves. And The Persona maneuvers the blind folded great machine on your waves. Our new record, 'Aesthetic Blend of Peculiar Minds' is to break through all the boundaries that have existed, segregating one being from another. It is to remind us all that we are free within the music. Let's foster peace and harmony for all, shall we?
