

Mp3 The Third Tree - If Only

[DOWNLOAD HERE](#)

Expertly written pop arrangements with complex guitar parts, warm vocals, and thoughtfully written lyrics. Favorable comparisons between this EP and works by Sting, Mark Knopfler, John Mayer, and others have been made. 5 MP3 Songs POP: with Live-band Production, ROCK: Acoustic Details: The Third Tree is the performance name used by Reza Kaleel, a Texas-based singer/songwriter "If Only" is a collection of 5 songs that finds the writer stepping into the shoes of widely disparate characters in order to muse on a theme from a variety of vantage points. After playing the disc several times, the listener should be able to identify many of the associations that run the course of the EP. Reza is also the lead singer and guitarist for the Texas based alternative rock group "Last of Our Kind".
