Show all album songs: Pardon My Past Songs Details: Tony Ocean's new Cd "Pardon My Past is a small step away from his Rat Pack style of entertainment. Ocean 's new Cd produced by Philip Vaughan has a few surprise cuts that will establish Ocean as a more versatile singer. Tony performs a duet with 17 yr old Lindsay Boven written by Bonnie Koloc titled Children's Blues, a song made famous by the Late Great Big Twist and the Mellow Fellows. Ocean steps into uncharted territory releasing a song written by Jim Tullio titled 'This Kind Of Love" that features Gospel back ground singer and a guest studio appearance by Keyboard legend Chris "Chicago Hambone" Cameron and former Pete Special Band Drummer Tom Leddy, and Sax Player John Bowes. Piano player Paul Casino contributes to the Michael McDonald classic "I can let go now" Tony Ocean fans will still have a fair share of the old standards on this CD. Two songs in Italian and The Love Theme from The Godfather hold Tony close to home. This Cd will be available December 1st Online
