He has teamed up with Master World Percussionist REMI KABAKA in this summit recording that defies imagination! It's lightning fast 12 string guitar performances bathed in Pan World influences through the talents of many former rock heavyweights including REMI KABAKA, a former member of GINGER BAKER'S "AIRFORCE" and PAUL McCARTNEY'S "WINGS"; dynamite guest performances by CHRIS DARROW and MAX BUDA of the original "KALEIDOSCOPE" and JOHN YORK of the "BYRDS"!!! TOULOUSE ENGELHARDT was one of the original members of the "TAKOMA SEVEN"; the last of the seven guru's of the fingerstyle guitar movement that began long before all these "copycat" clones of the so-called "New Age" came along.
