Dark hard and downright deviant drum and bass garnished with euphoria-inducing melodies and infectious grooves. 11 MP3 Songs ELECTRONIC: Drum 'n Bass/Jungle, ELECTRONIC:

Breakbeat/Breaks Details: Hailing from Maidenhead, England, Virus attempts to break the mold by bring alien elements to the dnb table. A former thrash metal guitarist, Virus garnishes angry basslines and intricate beats with organic and euphoria-inducing melodies, combining enveloping soundscapes with powerful grooves. Seduced by The Prodigy to electronic production in 1998, he journeyed through trance, hard house and ambient and arrived at the world of drum and bass in 2001, he has always been determined to produce intelligent and complex dance music that is melodic enough to just sit and listen to as well as dance to. The 64-minute album 'Infectious Deviant' is the culmination of hundreds of hours of work and was completed in May 2005.
