Coming out of Vancouver Washington by way of Cincinnati Ohio. This album isn't you normal Hip Hop Album it's way underground. Production on this album is tight, with a lo-fi bass heavy sound soulful Hip Hop. I live in the struggle every day it's what I see all around me I chose not to deal with drama we need to fight for freedom. Just because we can go here and there doesn't mean we are free so I must say something that mean something. (Elunico; On his style he calls Hip Hop blues). One half of LateNite Mirada's. (Elunico and Phil Shock the other half of Knite Krawlaz) These cats use sound that most people don't use. They are labeled old school because lack of samples in their music. Their content is strong and real. Feel free to hit us with feedback and coming soon Knite Krawlaz Actual Factual
