d\_Tracking\_.txt - Each article is professionally written by English Native Speakers. - On average, every

article has about 250-500 words. - Every article in .txt format for easy editing. - The articles come with

private label rights. You may edit them anyway you want. Here are just some of the ways you can pull in

a profitable income with these premium content... 1. Put together a content site and put your Google

Adsense code into the pages for hands free Adsense income. 2. Use the articles to attract new

subscribers and clients to opt-in to your list and then use more of the articles to follow-up with them and

sell them. 3. Create quality mini eBooks that you can plug affiliate links into to generate big time affiliate

income. 4. Load up your articles on your autoresponder to go out once a week and have a newsletter set

for a year in advance. 5. Add an eCourse to your products as a bonus that goes out weekly! This will

dramatically cut down on refunds because they want the rest of the quality eCourse that is continuing

past the refund deadline! 6. Offer some of the articles as a meaty report that your visitors can give away to

promote your site. You can even brand it with their links so they make affiliate income! 7. Arrange the

articles into a full fledged paid product and sell it for big money! 8. Submit the articles under your name to

all of the article directories you can get your hands on and get hoards of traffic, links to your site, and

higher search engine rankings. \*\*\*\*\* Bonus Gift!!!
