

Eternal Mysteries Beyond The Grave

[DOWNLOAD HERE](#)

Providing unique perspectives drawn from Russian Orthodox sources not easily found in the Western world, this book explores questions regarding the nature of Gods existence and the immortality of the human soul. It includes many examples of the awareness of life after death and argues that the expectation of a future life and faith in God form the foundation of a well-ordered life. This insightful look into the Orthodox Christian theology offers hope of something greater than a temporal existence and discusses questions relevant to every human being.
