Details: Blue Eagle is a Native American artist of the new global community. Blue Eagle shares the vision where we are all brothers and sisters and can, by working together, heal the precarious situation in which we now find ourselves. He dedicates his life to creating, wherever possible, a healthy and ecological lifestyle in nature. His music and writings are filled with a holistic, universal and evolutionary vision of humanity. Blue Eagle studied with a Native American school of sacred studies for more than 25 years. He also received teachings from many wise Elders and wisdom keepers of several First Nations. He is a specialist of First Nations therapeutic traditions, notably healing with crystals, sounds and music. He has been performing since 1987 in Canada and was invited to several European countries to share his music and teachings. In link with his work he has created the first Native American Liquid Smudge by Invocation, published 4 books and produced 7 compact discs of Native American therapeutic music. His music is very diverse and all are relaxing and enhance the vital energy of those listening. To help you choose the specific energy you want here are some tips on the music therapy orientation of the different CDs: SERENITY = Vitalization; CHANTS IN THE NATIVE AMERICAN TRADITION = Various Uses; SKY SONGS = Relaxation; MYSTERIES= Meditation; EARTH DRUMS= Concentration (shamanic traveling and dancing also); SPIRIT SONGS= Inspiration; SWAN SONGS= Harmonising.
