Smart acoustic pop for anyone who is a parent or has a parent... The ultimate baby shower gift. 11 MP3 Songs POP: Folkly Pop, FOLK: Modern Folk Details: This record is not just for new parents. If I Never Sleep Again is the fourth cd from award winning singer-songwriter Brian Joseph, and was produced by Joseph and "...one of the brilliant architects of the American Folk-Rock movement," Kenny Edwards. Yes, it's a must-have for expectant and new parents. Yes, it's the perfect baby shower gift. And ok, yes... all of the songs have something to do with the experience of having a child. But the album, featuring some of the top session players from around the country, is an eclectic mix of material, from the hooky, rockin' "If I Never Sleep Again," to the R&B tinged "Baby Looks Good", to the old-time folkly "Eli's Song," to hypnotic and moody "Alpha and Omega." This record is really about music, first and foremost. Brian Joseph is the winner of the Telluride Troubador Competition, The New Folks Showcase, and has appeared on festival stages everywhere. The Oakland Tribune calls him "an actor, singer and songwriter of the first order," and Folkworld Magazine says he's "Randy Newman meets Los Lobos." Listen to this cd, and discover for yourself the "exquisite tenderness and laugh-out-loud lyrics" of a rising star in the acoustic world.
