## Mp3 Carolyn Owen - Country: Country Rock

## DOWNLOAD HERE

A fiery singer with a growl and a purr, a Country-Rock/Pop high-energy electric phenomenon, a seasoned performer with unstoppable presence, skin-tight harmonies, aggressive guitar, intense keyboards, and passion so contagious the Syrac 15 MP3 Songs COUNTRY: Country Rock, POP: Today's Top 40 Details: Whatever "IT" is...she's got it, and plenty! Carolyn Owen is the real thing, a fiery singer with both a growl and a purr. She's a high-energy electric phenomenon, a seasoned performer whose presence is so unstoppable the Syracuse Herald cried, "Carolyn Owen stole the show at the 2000 Budweiser NY State Blues Festival!" From soul-shakin' Country-Rock to Pop, her skin-tight harmonies, vocal arrangements, aggressive guitar, and intense keyboards will grab, shake, and stir. A prolific writer with messages of hope and inner strength, an organic sound with stamina and harmony upon melting harmony, Carolyn Owen burns through. She produced and engineered her self-released CD in her log-cabin home studio with songs spanning seas of universal emotions. Experience her live...Passion is contagious!!!
