We pride ourselves in creating some of the most original beats and concepts in the industry. Our mission is to give the true music lover an alternative to some of the boring commercial music that plagues the airways. The music genres that we will present to the world range from gospel to neo-soul and hip-hop. There's really no limit to what we can do. Let the revolution begin. Collab wit us! Collabo consists of a group of talented producers (B Dubb, Montkeyz, Dodatstick, and V.I.C.) from the Delaware/New Jersey areas who have toured and worked with acts such as Kelly Price, Donell Jones, Musiq, and Glenn Lewis. The current roster of artists are as follows: Traci Ray, Tamara Hudson, Jarrett Riley, MC Cliffy D, and Precize. Brief bios below. Traci Ray Only every so often does one encounter a warm, engaging, and compassionate person whose blend of personal traits, intellectual and musical gifts create an idealistic, yet well-grounded individual. Traci Ray embodies all of these things. Deeply entrenched in her love for music, Traci Ray has the unique ability to share her musical gifts and talents as a pianist and R&B/Soul vocalist. Tamara Hudson Many are called, but very few are chosen. Tamara Rochelle Hudson, affectionately know as "Mara", was born on May 7, 1980 in Philadelphia PA. This Philadelphia native is determined to use her gift to glorify the Lord and to demonstrate the love of God through song and Gospel Music. Jarrett "J R" Riley Delawho, Delawhat, Delawhere? No... it's Delaware. Jarrett Riley is committed and dedicated to become the first standout Urban Artist from the "First State". This Wilmington, Delaware native's style voice falls under the R&B/Soul genres. Jarrett will surely send chills

through your spine with his smooth soulful sounds. MC Cliffy D Is he just another rapper trying to make it big? Born Ravenna Taylor, and hailing from the greatest state in the Union (New Jersey of course), Cliff is just a regular guy with a job, house and a family. In fact, if you ask him about what he does, rapping is the last thing he'll mention. He probably won't even mention it at all. But give him a beat and he'll finish writing a rhyme before the ink dries. Precize "Cuttin up emcees with Precision" E'drease "Precize" Thomas has been rhyming since he fell in love with hip-hop as a youngster. His raw style and lyrics distinguish him from the masses. Reppin' the Dirty Jersey, Precize brings the thunder with his lyrics and delivery.
