

Mp3 Cosmic Mind Warp - Songs For The Uninvited

[DOWNLOAD HERE](#)

Truly unique-sounding electronica, pulsating forth from the deepest, darkest depths of the Isle of Wight. 14 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Down Tempo Details: Since 1994, Cosmic Mind Warps electronic operatives Alister Staniland David Holmberg have churned out their unique brand of weird underground electronica, pulsating forth from the deepest darkest depths of the Isle of Wight. The electronic weirdness interspersed with obscure snippets of sampled spoken words is heavily influenced by the work of the great Australian electronic gurus/ pioneers Severed Heads. Then a good pinch of Boards of Canada is added to complete the warped electronic brew A total of 6 albums have been made, with the 6th SONGS FOR THE UNINVITED having been completed on 18/02/2007... Plenty more info at the official web site cosmicmindwarp.com
