New age, contemporary instrumental 10 MP3 Songs NEW AGE: Contemporary Instrumental, NEW AGE: New Age Details: Of This I Dream is David Findlays 2nd solo CD, following his much- acclaimed New Age offering, Delightful Voyages. Nominated for 4 NAR awards, it heralded the arrival of David Findlay as an important voice in the New Age music scene. This time around, however, the voyage is more introspective. Some selections are quite dreamy and reflective while others are somewhat disturbing and active. The music, most of which was written in the latter part of 2007, is quite personal and is the result of a very difficult time for the composer. Like in many of our dreams, there are many emotions running below the surface. But in the end, the journey ends happily and peacefully. As on the previous CD, Dave plays a number of instruments while showcasing his considerable piano/keyboard/arranging talents. Indeed, Of this I Dream is aims to calm the spirit and provide a space for reflection. There is one vocal feature: Absent Friends. Featuring a stunning vocal performance from Torontos Sue Breit, it was written by David in 1993 after the death of his father, John. There have been many versions of this song, but this one will be the first one released to a larger audience. May your dreams be of the best things your mind and soul can conjure. People who are interested in Hans Zimmer Moby David Arkenstone should consider this download.
