Details: This is a collection of a few songs I have written over the past few years. The albums title song "Hey Uncle Sam" was written several years ago when the government was shouting down every few weeks because of the budget and the social security checks were being held up. It's a humorous song that seems to fit the political climate even more so now. I'm sure you will enjoy it as you listen to the lyrics. Jimmy Bryant is a multi talented singer and musician which I enjoyed working with in performing the songs for this album. You will find that most of the songs have simple words and catchy tunes which will have you singing along.
