combining multi cultural textures with a contemporary feel for melody and structure 14 MP3 Songs
WORLD: Celtic, WORLD: World Traditions Details: Purity, passion, and in his own words, "MY TRUE CALLING", are the affectionate sensibilities resonating through each and every cadence of stylistic expression that is uniquely David Swan Montgomery who was born and raised in a small suburban township of Drogheda Ireland.. Swan has been forever obsessed with the traditional folk and celtic sentiments of his own musical heritage. Having absorbed and digested these more indigenous influences, Swan then continued his musical explorations to other more multi-ethnic eastern structures, melodies, and instrumentation's. By combining these diverse instincts together with a firm grasp of the more contemporary approach to production. Swan creates the profoundly innovative and deeply inspired canvas embodied in this presentation. For David Swan Montgomery, "music is my heart, my truth". Embrace him as he shares with you his own interpretation of how the sounds of hope and sympathy can evolve. Check out Chapters and Artifacts at his website: and know more about Swan with Led Zepagain, Jimmy Page of Led Zeppelin, Roger Daltrey of The Who, The New Witchblade Soundtrack and a song in the new feature film "Journey of Redemption". New CD to be released in late 2005.
