[DOWNLOAD HERE](#)

The 24 Piano Preludes, Concerto for Piano Strings, and Serenade for Chamber Ensemble are in a 21st Century, neo romantic style. 30 MP3 Songs CLASSICAL: Contemporary, CLASSICAL: Orchestral
Details: The 24 Preludes for Piano is a tour de force collection that utilizes all 24 keys of the chromatic scale. These short preludes are in the contemporary classical idiom -- highly rhythmic, sometimes jazz inflected, and of transcendental difficulty of execution. The Concerto for Piano and Strings and the Serenade for Chamber Ensemble Percussion are upbeat, almost uniformly untroubled and optimistic works.
