Smooth soulful vocals over an eclectic blend of R&B, Jazz, Funk with a hint of Rock. 11 MP3 Songs
URBAN/R&B: R&B Pop Crossover, URBAN/R&B: Contemporary urban Details: He blends R&B, Rock, Jazz and Funk in a most interesting way. His self-described 'Eclectic Soul' is complimented by a smooth vocal performance and sophisticated songwriting. Can you imagine a jam session with Lenny Kravitz and Sade? Welcome to the Alternative Funky Soul Planet! The new CD, Soul Stories, is a follow-up to his previous underground cult albums- Six Dimensions and Eclectic Soul. Six Dimensions was the start of his Alternative Soul revolution and a natural progression for Dexter after years of studying Classical Jazz piano and voice. Upon graduating from Howard University, Dexter founded Brown Ambition Worldwide and began producing independent projects. After linking with Rock producer, Michael Phillip Costanzo, it was a collaboration to usher in the new soul millennium. It is here that Rock meets Soul and ignites with an energy that is connecting with the disenfranchised music audiences that are tired of the same ole song on the radio. After much "cyberbuzz", packed live shows and much word of mouth promotion, Dexter is set to take it to the next level.
