Wicked "Blues Rhythm" sure to get your back up. 11 MP3 Songs BLUES: Rhythm Blues, BLUES: Blues Vocals Details: "A serious gem...imaginative, inventive, and a lot of fun" (Blues Review Magazine) The Groove Doctors debut CD "House Calls" contains eleven tracks of all-original new blues/R&B. Various blues, R&B, and soul influences weave their way through this music. From the New Orleans-influenced "Blue Tattoo" and Spider Woman" to the "fifties R&B" romp of "Ellaree", to the straight-up, "late-night" blues of "Drive Me Home Baby", the Groove Doctors cook up a creative "gumbo". "House Calls" even takes a soulful turn when guest vocalist Maria Howell lets go on two tracks, the funk-grooved "Optical Illusion", and "(I Want To) Solve Your Mystery". The Groove Doctors "House Calls"...wicked blues rhythm "sure to get your back up". (Blues Review)
