An intriguing sound in which a brash mingling of styles generates hybrid forms and a broad palette of emotions. Freewheeling, fiery rhythms trace cityscapes and the mystery of the Milky Way. 11 MP3 Songs WORLD: World Fusion, JAZZ: World Fusion Details: Hrd Bolero is a vision from a dream, made flesh and blood by the union of four friends who are driven by their shared passion for music. Hrd Bolero: the magical coalescence of music and friendship. The first album, entitled Traces, includes pieces written by Louise, Daniel and Michel. Arrangements are by Hrd Bolro. Behind each piece lies the knowledge that every breath taken in is then exhaled and that all living things die off. No matter how deep the imprint, nothing lasts forever. Languages-French, Romanian and Algonquin-are the vehicle used to convey this reality. Be sure to look for Traces of Hrd Bolero!
