At the age of 11 was when JaFeezie first picked up a pencil and wrote his thought on paper, not knowing that what he was writing was poems in the form of rap. JaFeezie would always stay in trouble with the teachers at school and his dad because he would never would do any of his homework. He would just write raps in the spiral notebook he had. It was there in Topeka that JaFeezie began to grow not only in his writing and rapping but mentally and physical growing. While attending school in Topeka Kansas JaFeezie would Rap Battle any one that thought they had skills and would out rap them Hands Down. Until one day JaFeezie met his match a young kid by the name of Dewey Washington (evillo) the two battled day after day at school until they decided to start the first ever rap group in Topeka called Def Style. Performing all over Topeka, people there began to love their style. This went on for about 2 yrs until the day JaFeezie had to move back to Texas.
