This is a combination of lite Jazz and R&B .It ain't nothing wrong with a little sax .This will make you feel like you are in your own world .The more you listen the more you will want to listen . 12 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Love Songs Details: JAMES(JB)BROWN BY CF Brown James was raised in a small town in North Carolina and has always had a special love for the sax.The tones are smooth and the sound is sensuous.The melodic solos will cause you to want to listen more and more as you begin to relate and develop a personal attachment to his music. He has earned the reputation of being diversified and he always keeps the focus of his music directed toward the audience.On many occasions he's performed with large orchestras,while other opportunities allowed him to be a solo act.Interestingly enough,each presentation was a stellar performance.He contends that an audience needs to be entertained regardless of the style,size, or the type of music. He's shared the stage with some of greats such as ;Donald Byrd,Luther Barnes,Commodores,Gladys Knight,Temptations,and countless others.He asserts that he has as much to say ,on his horn,as anyone,and there's nothing wrong with having a little sax sometimes.GET YOURS NOW!!!!!!
