

Mp3 Justin Tracy - Understanding

[DOWNLOAD HERE](#)

If you like the sounds of Tom Waits, Nick Drake, Bob Dylan, Neil Young and James Taylor.....You'll love this new British Folk/ Rock artist who is paving his own way for a new generation of listeners. 12 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock Details: This British Folk-Rock, singer,writer and multi-instrumentalist collaborates with Grammy Award winning producer Michael Leonhart for this Independent Debut Album release. Taking almost four years to complete, this record has been described as a true work of art. The textures and arrangements in the music are organic and, giving it a timeless sound and focusing on the voice and words of this extraordinary Artist. Acoustic Guitar and vocals play the dominant role in the music and although Justin plays a variety of instruments including Drums, Acoustic Bass and Banjo and Organ on the record, there are other great musicians featured also including: Michael Leonhart (of Steely Dan and Lenny Kravitz), Ben Street (Shawn Colvin), Graham Hawthorne (Paul Simon, David Byrne), and Kenny Wollesen (Tom Waits, Norah Jones) to mention a few. This record marks the beginning of a journey, and we know that once you discover his music you will want to come along for the ride. For solo Justin Tracy check out his second album "Suffolk Sessions" also available on CDBaby.
