[DOWNLOAD HERE](#)

This is Lisa's studio album: big production wrapped around her timeless songwriting and incredible voice. 10 MP3 Songs in this album (43:14) ! Related styles: FOLK: Power-folk, POP: Folky Pop Details: "The purity, strength and, at times, innocence in her voice sit atop songs of angst and determination... and therein lies the beauty." ATM Sound Generator London based Australian singing songsmith LISA FITZGIBBON is building a loyal audience and a reputation for her no-nonsense, powerfully original and refreshingly personal style of POWER FOLK. "Her voice cajoles, it caresses, it pleads, it touches the heart. She writes her own script, weaving a musical tapestry with THAT voice." The Drum Media Lisa is as happy on the big stage as she is in smaller, more intimate venues. She has performed to audiences at the Glastonbury Festival's Acoustic Stage, London's Shepherd's Bush Empire, The Cambridge Folk Festival and at clubs and venues throughout the UK and over Europe. "Alongside the many singer/songwriters, Lisa stands way taller, more experienced and more accomplished. She knows her craft both in the songwriting department and even more so in the performance department." ATM Sound Generator With the release of her fourth album, 'Songbook 14', Lisa has peeled back the layers and delivered a very real account of an era full of change, chance and discovery. "When the world finds her she'll be ready." Time Out lisafitzgibbon.com
