Robert had a clear picture of what was missing from the local music scene here in Nashville, TN (aka) Cashville. Why NashvilleRap.com? Cashville has a sound and artists that need to be on a national level so Robert did research on internet radio and knew it was time to make a forum for local Cashville artists only so they could be heard outside of Cashville on a world wide level or should we say the World Wide Web. How We Do It. Armed with experience, personality and drive Mr. Grady and his team are ready to take the world by storm with a new radio show that will showcase Cashville artists dubbed NashvilleRap.Com.
