Rock and Roll + Rap + A few laughs 17 MP3 Songs ROCK: Hard Rock, HIP HOP/RAP: White-Boy Rap

Details: As the co-creator of hip-hop stupid-group White Chocolate, Pat Hamm (aka "Koe") created funky beats and ridiculous rhymes for songs like "This Is Not A Drill", "Magic Mouth" and "Incognito Ho". But when the White Chocolate Army disbanded in 2002, Pat Hamm wasn't about to call it quits. With a mixture of some of his older material such as "Bad Virtual Soul" and "Only You", augmented by the new flavor of tracks such as "Hectic", "Sexy Junk" and "Cracked Out Maniac", Pat Hamm assembled his "rap meets rock meets who knows what the hell this is" solo album: PARENTAL ADVISORY: EXPLICIT STUPIDITY. But not without a little help from his friends! Pat Hamm's team incorporates talent from the worlds of rock and roll, rap and even punk rock! Guest musicians and vocalists come from rap heavyweights "The Brown Clowns" as well as the punk super group "NO CON", not to mention rock's craziest family team-up "Hambones"! You will find a little bit of everything and a whole lot of nothing in PARENTAL ADVISORY: EXPLICIT STUPIDITY. There's Rap! There's Rock! There's Anger! There's Laughs! There's Shame! There's Pity! There's Hunger! There's Spite! There's even a poetry reading in the middle of track 15! Give it a listen, then give it a click to the shopping cart! Find out why critics are saying that "This CD would be well worth the money, even if it were half the price!"
