

Mp3 Steve Robinson - Undercurrent

[DOWNLOAD HERE](#)

More poppy folk-rock musings and Beatle-pop confections from the transplanted English closet-folkie. 10 MP3 Songs FOLK: Folk Pop, POP: Beatles-pop Details: "Undercurrent" is the second solo Sunshine Drenchy Records release from the ex-Roger McGuinn sideman and former voice of Florida's folk-rock darlings, the Headlights. Unlike 2005's DIY dark horse "Away For The Day", "Undercurrent" is more of a collaborative affair and benefits from the sympathetic (bordering on telepathic, according to Steve) efforts of co-producer and multi-instrumentalist Ed Wottil(The Ditchflowers). It also features veteran drummer Chuck Darling(Nineveh Project); a guest spot from Celtic fiddler Victor Gagnon(Seven Nations,Rathkeltair), as well as some harmony vocal help from Steve's ten year-old daughter, Emma, who managed to nail her parts in two takes (her dad could learn something) On offer is a song of love and commitment (Love Is Real); an expression of awe at the bond between a parent and a child (Please Emmalene); a nursery rhyme-infused homage to a dearly departed mother (Wooden Hill), and an old-timey, music-hall influenced singalong remembrance of schooldays past (The Best Days Of Your Life). Lest the view appears a little too much like an exercise in ever-sentimental, rose-tinted nostalgia, Robinson also tosses in a rather disquieting strangled-folk rumination on global religious conflict (Road To Ruin); a tale of drunken excess, emotional disconnect and failed ambition(Wasted And Waiting) and an apologetic lament on the pervasive celebrity worship culture that we humans seem content to wallow in (Boring God). A little undercurrent, you might say.
