Steven is the author of 20 books and has spoken more than 1000 times all across North America in the past five years. This "Genetic Chicken" CD features live recordings of some of Steven's best original stories and folktales. This CD is perfect for families and middle-schoolers, and is a great companion to "Little Red Riding Snack". When Steven completed his Master's Degree in Storytelling in 1997, there were fewer than 100 people in the world with the same degree. Since then, he has been in demand throughout the country as a conference presenter, family entertainer, youth speaker, and performance storyteller. Drawing from a diverse background in the performing arts and education, Steven James weaves together programs that touch both the mind and the heart. Through his writing and speaking, he has creatively communicated a message of hope and humor to more than 500,000 people over the last decade. Steven lives with his wife and three daughters in eastern Tennessee.
