The East Coast meets the South with a unique blend of lyrics and fire tracks. 17 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: I was born in Lafayette, La, on October 13, 1980. I lived in Patterson, Louisiana, with my father until 1991 when he decided to move us to Houston, TX. Shortly after arriving in Houston I was sent to live with my mom in Lake Charles, La. I bounced back and forth from Texas to Louisiana numerous times. In 1998, Louisiana became my permanent home. At this point, music became the most stable thing in my life. After the birth of my daughter in 2000, I decided to take music more serious. I attempted the group thing for a while, but that left me feeling empty and frustrated. So, in 2002 I decided to invest in myself and put together my first solo project Americon Made: The Definition of White Trash. This cd is about my struggles, love, hate and pain I've had to endure throughout my life.
