New Millenium gospel music to lift your spirit and stir your soul. 9 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Contemporary urban Details: Hi! My name is T.D. Trice. The purpose of this gospel CD is to give you hope, joy, and inspiration to see you through another day with God's grace and mercy. The reason why I made this CD was because oldest daughter told me one day, "our school says we shouldn't listen to any more secular music." Not to be defeated, I commenced to putting together a set of songs that can be enjoyed by both adults and children, at any time, and not be ashamed of the words no matter what their environment. The first track "The New Father of Creation" is about the fact that God exists in all of us, and if we seek Him, he will show us that He is in control and we are not to worry. The second track, "You Are Blessed" was written to uplift a spirit that was depressed because of outside circumstances. The third and seventh tracks are interludes that transition with the hope that one day, all people will have brotherly love for one another. The fourth track, "Enlighten" shows that no matter how smooth your groove is, there will always be a small fly in the ointment. You just have to swat it away and keep going forward. The fifth track, "God Bless The USA" is my personal homeage to the land I love, and one of my favorite composers of all time, Henry Mancini. The sixth track, "I Fly" is a song dedicated to Mr. and Mrs. Martin Luther King, Jr. It is a song about flying high over problems and circumstances. The eighth track, "The Lord's Prayer" is contemporary gospel that gives honor to God, and provides a way to bless all of your family. The ninth track, "The Maker of Creation" is an instrumental that takes the listener on a journey of hope and love. I hope that this CD uplifts your spirit and gives you the joy you deserve. Thanks and God Bless You, T.D.
