Upbeat, catchy, fun songs about food. Fun for the whole family. 13 MP3 Songs KIDS/FAMILY: Kid Friendly, POP: Quirky Details: "The band's name and the seeming simplicity in the album say much about our American way of life. And I can't be sure if that is even the point of the music. Listening to these catchy, funny, and original tunes on Songs About Food, I almost don't care. What matters is the thoughts that these clean lyrics evoke in each listener. For instance, in 'Mama's Apple Pie,' the focal point of the song; '...I love mama's apple pie.' This stirs long lost memories, taking you way back. It makes you want to call your mom and thank her...for everything. "The whole album has similar surprises, and it may be the deepest simple music you'll ever hear, fun for the whole family, and guaranteed not to bore." -Joe Chiappetta Author of SILLY DADDY sillydaddy.net Kevin McGee is a singer.
