Brand new songs that sound like they've been around a while. Think early Stevie Wonder/Marvin Gaye and Wings era Paul McCartney on a jazz bender. 14 MP3 Songs POP: with Live-band Production, URBAN/R&B: Neo-Soul Show all album songs: Details Within... Songs Details: I have always loved music and lyrics especially when they combine in a way that make you feel like you are understanding or being understood at last. Whether it was simply joy or a deeper connection to the world and myself... songs were my best teacher and friend. I also love to create so I'm amazed it took me so long to put these two parts of my life together. All things in their time I guess, so here they are...my first songs. I was as honest as I knew how to be.
