

# Mp3 Totakeke - Elekatota - The Other Side Of The Tracks

[DOWNLOAD HERE](#)

13 stunning tracks of complex rhythmic Industrial. A masterful collage of addictive rhythms, richly-layered beats, intriguing samples, and cavernous atmospherics. 13 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: IDM Details: The brilliant new album from New York producer, Frank Mokros (Synth-etik / Hands Productions) featuring 13 stunning tracks of complex rhythmic Industrial. With previous remix collaborations flanking the likes of Terrorfakt, Imminent, Radial, and Klangstabil, 2 successful releases for Frozen Empire Media, and a radiant new track on the recent Tympanik Audio compilation Emerging Organisms, Totakeke is back with his 2nd full-length album that proves to be his finest work yet. From start to finish, eLekatota manages to effortlessly merge several genres of electronic music into one seamless body of work, without distorting the mood or veracity of the album as a whole. Each track feels alive, constantly morphing and shifting into new directions without the slightest loss of cohesiveness. A masterful collage of addictive rhythms, richly-layered beats, intriguing samples, and cavernous atmospherics, that all seem to somehow replenish themselves with each listen. eLekatota: The Other Side of the Tracks is timeless opus that is sure to be hailed as one of the finest Industrial productions in years. People who are interested in Skinny Puppy Front Line Assembly Converter should consider this download.
