A collection of beautifully orchestrated meditation that will help us all find God's peace in our busy lives. Read about Trish at [tfotigenco](#) Teaming up with life-long friend Dreux Montegut, pianist, the duo brings to life songs that have inspired generations. Devoted to Music education in Louisiana, both Trish and Dreux are full-time Choral Directors. The New Orleans natives are devoted to preserving and inspiring our next generation...with hands to work and hearts to God. "Inspired" their first project, is packed with classical and contemporary Christian classics from Schubert's "Ave Maria" and Franck's "Panis Angelicus" to Michael Card's "El Shaddai". The release also features the new Nashville releases "You Remind Me Why", "Hold Me", and "If You Only Knew". "In the Stillness" is a reflection, a few peaceful moments to slow down and find God in our busy lives. With songs from the beautiful praise and worship classic "Breathe", to Twila Paris' "Your Whole Life Long" this is music for every child of God. Beautiful harmony and sensitive performances by New Orleans musicians made this project a true pleasure to be a part of...and it shows! This CD is about the beauty of finding God's peace in every stage of our lives. For more information contact tgenco@aol.com.
