Awesome! Rad Mike, G-Reg and Baghdad Pete have teamed up with DJ NazDak to show the world what
happens when the corporate world meets up with some Dirty South infused gansta rap. These 4 white
colla criminals from New Orleans tell the story of the working man at odds with "the MAN" through their
corporate crook rhyme schemes broadcasted over NazDak's twisted mix of distorted dirty south rhythms
and early 90's gangsta flare. Anyone who has ever spent even a moment in cubicle hell can surely relate
to the message and attitude of White Colla Crimes.
