

The Jewish Condition: Challenges And Responses-1938-2008

This brilliant set of essays poses the paradigmatic question: are Jews in grave danger today or not? Concern is rooted in the storm clouds of 1938, when the same question arose just prior to the outbreak of World War II and the Holocaust. The shared feeling is that Jewish communities worldwide are very much, once again, at risk. The essays are varied at the policy level, but unified in apprehending a disturbing revival of inherited hatred and anti-Semitic outbreaks against Jews both within and outside of Europe. /span/p Publisher: Transaction Publishers Illustration: N Language: ENG Title: The Jewish Condition: Challenges and Responses-1938-2008 Pages: 00175 (Encrypted PDF) On Sale: 2011-12-31 SKU-13/ISBN: 9781412808026 Lib Category: Jews - Politics and government - 20th century Lib Category: Jews - Historiography Category: Religion : Comparative Religion Category: Social Science : Jewish Studies Category: Political Science : International Relations - General
