

# The Russo-japanese War 1904-05 - Alexei Ivanov

[DOWNLOAD HERE](#)

The Russo-Japanese War in Manchuria was the first 20th century conflict fought between the regular armies of major powers, employing the most modern means machine guns, trench warfare, minefields and telephone communications; and the battle of Mukden in March 1905 was the largest clash of armies in world history up to that date. Events were followed by many foreign observers; but the events of 1914 in Western Europe suggest that not all of them drew the correct conclusions. For the first time in the West the armies of this distant but important war are described and illustrated in detail, with rare photos and the superbly atmospheric paintings of Russia's leading military illustrator.
