Transparencies: Transparencies are provided where there is more than one ecover to a NicheSite to

enable you to create your own 'medley'. You get them with and without text and two sizes in each Private

Label Rights Articles: You will also get, as an added bonus, a set or sets of Private Label Rights articles

with each NicheSite, where available! Please note that you may already have these articles - they have

been added for your convenience. Private Label Rights eBooks: All NicheSites have been based on

Private Label Rights ebooks. These are included in each pack, along with the original graphics and Word

If you have Photoshop, you can very easily change the PSD files to suit your website or title of your product by changing the text. If you do not have photoshop, you can still change the text to suit as I have provided both sample and blank JPG files which can be opened in any graphics program.
