Fairy Dust Tielle St. Clare When Fairy Godmother Marlena gets in trouble for including a hot sex additive to her Happily Ever After Fairy Dust, her bosses decide she's lost touch with their mission. They announce she will become various fairy tale characters until she understands that fairy tales are about overcoming obstacles to find true love-and not about hot, wild, break the headboard sex. Marlena tries to follow the rules, but brief episodes with the Troll from Rumpelstiltskin and Snow White's Handsome Prince reveal just how powerful her Fairy Dust really is. Who knew the Troll would grow so large in such interesting places? Or that the Prince had a spanking fetish? And when she finds herself dressed as Little Red Riding Hood and trapped between the Wolf and the Huntsman.well, what's a girl to do? Find her own Happily Ever After, of course.
