I have been playing the harmonica since i was about the age of 12. I have recorded with many groups and i am proud to say this is the first one which i am featured on. This album would not have been possible if it wasnt for my friend Lawerance Mazalan, who convinced me to make this album and who also contrubuted to many keyboard and guitar parts in addition to writing 2 of the songs on the album. If you like traditional gospel tunes set to to the soulful tone of country blues harmonica this album is definetily for you. The feel of the music varys from country,traditional,jazz and yes even contemporary christian, making this series of music enjoyable for all listeners. I am backed up by some of the finest christian musicians that i have ever been priviledged to work with. Featureing pedalsteel, mandolin, guitars, piano and much much more. I hope it is trueily as much of a blessing for you as the listener as it was for myself as the performer. Make a joyful noise unto the lord Eddie Matthews
